WELCOME

IT GIVES GREAT PLEASURE TO INTRODUCE THE FIRST ANNUAL BIG BOOK SOURCE GUIDE 2010!

The Big Book Source Guide covers everything from Prepress services, bindery and finishing, to digital marketing and event marketing services. The wide diversity of listings in this year's guide represents a unique partnership between *Canadian Printer* and *Marketing*. *Canadian Printer*, along with *CARDonline*, *Monday Report on Retailers*, *Marketing* and *Marketing QC* are now all part of the Marketing Group within the Rogers Media Business and Professional Publishing Group.

This year's Big Book Source Guide is distributed to over 20,000 key contacts across the country, including the qualified *Canadian Printer* list as well as the *Marketing* magazine list. This makes the 2010 Big Book the most widely distributed resource of its kind in Canada.

We hope you find many of your 2010 projects made easier with this resource, and that you will find yourself referring to it again and again. As our team is always looking for feedback and striving to deliver the best products to our audiences, please contact me directly with any comments or questions.

Yours truly,

Christopher Loudon
